TRINITY PRESBYTERIAN OCT Tidings

*A unique set
of gifts...*

transitional pastor's letter...

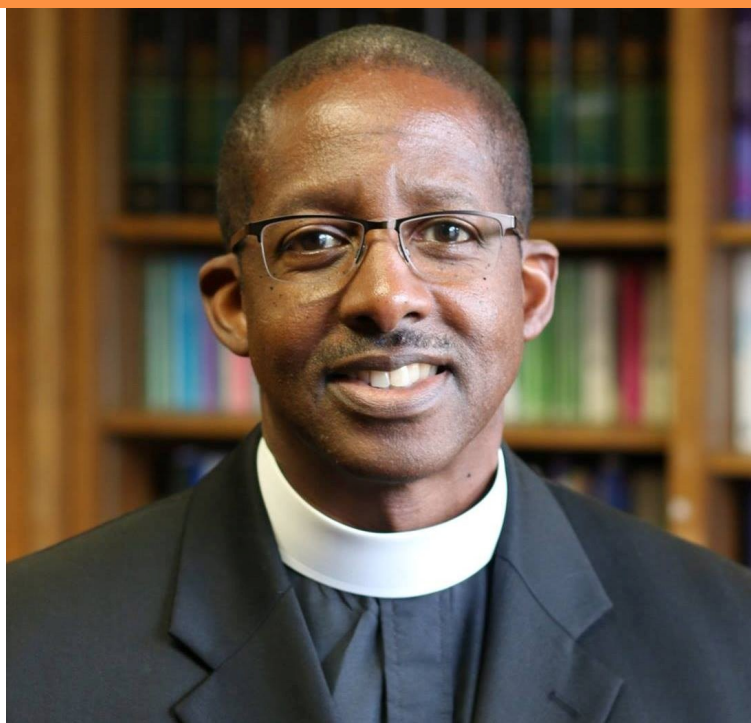

October is Stewardship Emphasis Month at Trinity. Our stewardship theme for this year is "Faith Endures Here."

Every church I've pastored over the years does something like this. Most Presbyterian churches set aside a certain amount of time each year, usually in the fall, to talk about stewardship, which is the church's word for the personal and corporate management of God's good gifts.

Every year during Stewardship season we are reminded that we belong to God, and that God has given to each one of us a unique set of gifts to steward or manage for the glory of God, for the blessing of the Church, for the healing of God's wider world, and for our own daily and future needs.

One part of our yearly stewardship emphasis is to encourage each other to take inventory of all the gifts God has already given us, and then ask the question of what the Lord's will is in the using of those gifts. Typically, the gifts that God has given to many of us are: time, talent, money and possessions, relationships, a human body, the creation, and the gospel message.

Once we have taken inventory of our gifts, we turn to the question of who might need the particular gifts that the Lord has given us. The Lord is a great matchmaker in a variety of ways, but one noticeable expression of divine matchmaking is to match up specific people with gifts to share with specific people who need those gifts, and it is usually those who are actively looking to share their gifts who get matched up more frequently.

WE WELCOME OUR GENERAL PRESBYTER OF THE PRESBYTERY OF WESTERN NORTH CAROLINA, REV. DR. BYRON WADE

In Acts 20:35 Jesus is quoted as having said, "It is better to give than to receive." It is certainly a great blessing to receive gifts from God, but even better to share those gifts with those who need them.

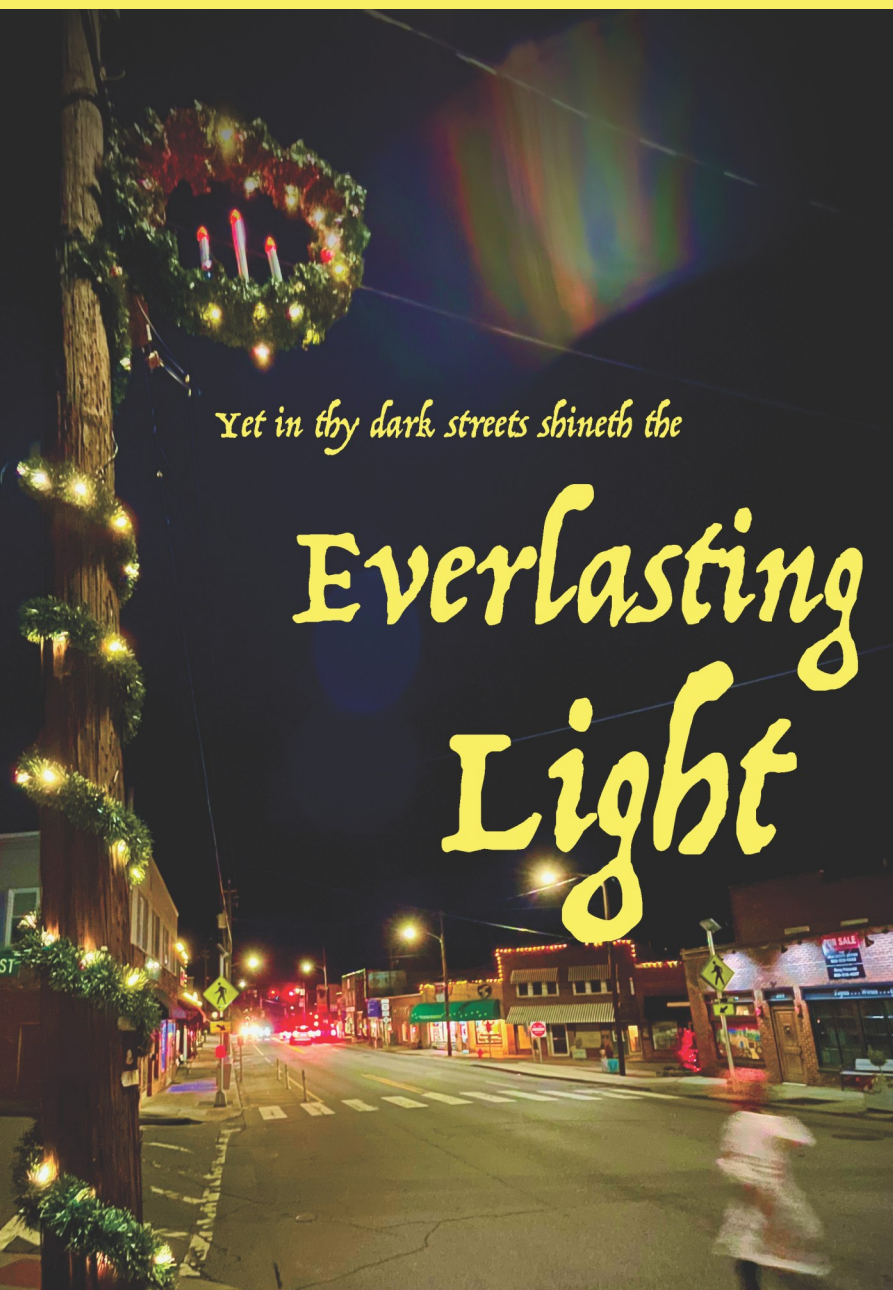

Rev. Dr. Byron Wade, General Presbyter of the Presbytery of Western North Carolina, will be our special guest to help us kick off our stewardship season on October 5 by preaching at both services.

We will wrap up stewardship season with Dedication Sunday on November 9. On that day we will offer our gifts to God and thank God for providing for our needs, celebrate the church's 60th anniversary, and hear from representatives from some of the ministries Trinity has helped start over the years.

David Garnett
Transitional Pastor

faith endures here...

note from the associate pastor...

Call for Writers: *Everlasting Light*

As we approach Advent 2025, our theme for the season is *Everlasting Light*, taken from the classic carol “O Little Town of Bethlehem.” Advent begins on Sunday, November 30, and with Christians everywhere we affirm the hope that entered the world at the birth of Jesus and which has never left.

One of Trinity’s great seasonal traditions is our Advent Devotional Guide, which you create. We hope that you’ll consider writing a brief meditation for *Everlasting Light*; look for more information and signups beginning on Sunday, October 12.

You’ll find in this issue of *Tidings*—believe it or not—our annual invitation to you to contribute a written meditation for our Advent devotional guide.

This year’s Advent theme, *Everlasting Light*, is taken from the classic carol “O Little Town of Bethlehem.” It’s such a familiar song that we may not really notice the lyrics anymore. When we stop to listen to them in light of our own day and time, however, that first stanza hits rather hard:

**O LITTLE TOWN OF BETHLEHEM,
HOW STILL WE SEE THEE LIE!
ABOVE THY DEEP AND DREAMLESS SLEEP
THE SILENT STARS GO BY.
YET IN THY DARK STREETS SHINETH
THE EVERLASTING LIGHT;
THE HOPES AND FEARS OF ALL THE YEARS
ARE MET IN THEE TONIGHT.**

Like the times in which we live, these words are full of contradiction: *dark* and *light*, *hope* and *fear*. As we move toward Advent, let’s not skip over the contradictions. Rather, let’s remember that though much of our world lies in darkness, there is still light; and though fear is real, hope in the One who arrived long ago in Bethlehem still guides and inspires.

Peace,

*Dwight
Christenbury*

Local Missions Ministry

How great is this?1?!

Trinity is the only church listed as a sponsor on the new Henderson County Education Foundation window clings that are being placed on the doors of every K-12 public school this year.

We are a "Super Sponsor" of the Spring Fund (as in "springboard" for kids), which provides discretionary funds to meet day-to-day emergencies and other needs faced by some of the district's most vulnerable children.

Endowment funds and other special gifts enabled Trinity to make a significant donation this year, directly helping K-12 kids who most urgently need our support. This was Local Missions' primary Back to School initiative for this school year.

Scavenger hunt: Can you spot the window cling anywhere on Trinity's property?

- **6:30 pm – Banned Books with Rev. Carol Cannon**

Join us to welcome Carol Cannon to Wed Night Live to speak about the kinds of books that are being challenged in the 2020's and how that has changed in the past ten years. She will also report how Henderson County Public Schools handles book challenges and share how recent action by the NC General Assembly may impact HCPS.

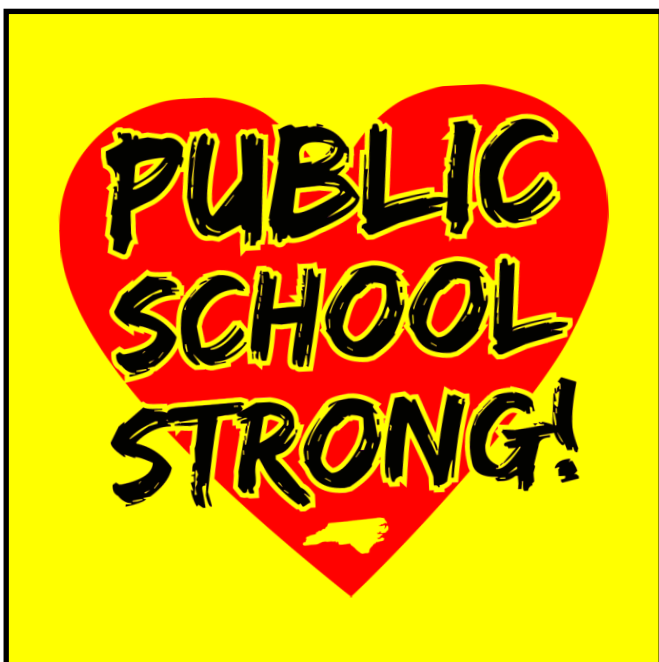

*Rev. Carol R. Cannon is a retired United Methodist pastor. She and her husband served congregations in the South Carolina Conference for forty years before retiring to Hendersonville. She is an active member of the Henderson County chapter of **Public Schools Strong** and the NAACP. She has a strong interest in ensuring that students have access to books that address the wide variety of life situations that children and youth today face.*

Wednesday, October 22

- 5:30 pm – WNL Dinner
- **6:30 pm – CIRCLES with Paul Hugger**

Paul Hugger presents on the Matthew 25 Ministry's newest initiative, Circles USA. Circles USA is a national nonprofit that partners with local organizations—including government agencies, nonprofits, and faith-based communities like yours—to deepen and expand your impact. For over 25 years, we've recognized the gap between crisis intervention and lasting economic self-sufficiency. Our model, materials, and coaching help you bridge that gap by engaging community volunteers to come alongside individuals until they overcome poverty permanently. We also promote leadership development, as participants become advocates who dismantle the barriers that keep people in poverty. It's a comprehensive community approach that supports the entire family.

Please sign up in the narthex the Sunday prior to the WNL Fellowship or call the office no later than Monday prior by 9:00 a.m. We look forward to our fellowship time.

Stewardship Committee

Here is an update on contributions to Trinity from members, friends and visitors, to fund Trinity's annual budget for operating costs, staffing, ministries and missions. These contributions are comprised of amounts given by members who have made annual pledges; amounts contributed by friends and visitors to Trinity; and amounts given by members which exceed the contributions they had indicated as their pledge for 2025. Contributions typically are greater than the budget estimates early in the year because some members contribute their full-year pledge early in the year.

This month we will turn our financial stewardship focus to 2026. We know that, at Trinity, "Faith Endures Here", and we carry on that tradition as we consider our activities and offerings in 2026.

Stewardship Committee, cont.

"FAITH ENDURES HERE"; DECIDING ON AMOUNT OF ANNUAL PLEDGE

This is the time of year when you are asked to decide how much you plan to donate to Trinity for the coming year - 2026. This is a spiritual exercise and you are asked to make this decision prayerfully. This is also a practical decision.

When managing my personal budget, I try to consider what expenditures I should be reducing. I know that some of my expenses are increasing. I know that in this heavily "consumerist driven" world, there are many temptations to dole out the cash and I am trying to be more intentional about doing this. I also consider what my saving goals are and the special extra things I want to do in the coming year.

Every year, I also remember the story about an old man who had had a very successful business career. He had started out without much but over the years his income grew until he became quite wealthy. When asked about how much he was pledging for donations to his church, he described giving more and more each year. Eventually, he was giving 90% of his lavish income. While I try to increase my pledge every year, I know I will never be able to give as much. However, I no longer consider the Biblical 10% tithe to be the ceiling amount.

Your Session strives to be very responsible about the expenditure of funds and your courtesy in returning the pledge card is important for their planning. All the wonderful things that happen at Trinity are due to your giving of time, talent and treasure. Faith Endures Here because of you.

OCTOBER 2025

Date: Thursday, October 23, 1:30 pm at the Church

Book & Author: *James* by Percival Everett

A brilliant reimagining of *Adventures of Huckleberry Finn*—both harrowing and satirical—told from the enslaved Jim's point of view

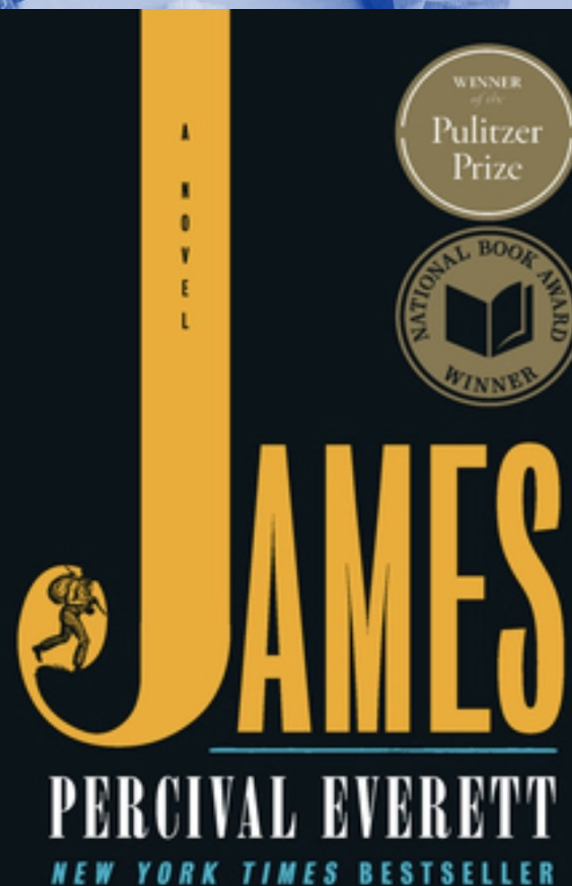

When Jim overhears that he is about to be sold to a man in New Orleans, separated from his wife and daughter forever, he runs away until he can formulate a plan. Meanwhile, Huck has faked his own death to escape his violent father. As all readers of American literature know, thus begins the dangerous and transcendent journey by raft down the Mississippi River toward the elusive and unreliable promise of the Free States and beyond.

BANNED BOOKS WEEK[®] OCT. 5-11, 2025

Matthew 25 Ministry

Bob Miles, leader of this ministry, has had to step aside temporarily due to health issues. His strong leadership has set the pace within Trinity and now on a wider level within Hendersonville. Work will continue but with fervent hopes for his quick recovery and return.

Banned Books Week observance occurs the week of October 5-11.

On Sunday, Oct 5th, we will present a special Learning Hour at 9:45AM - a video compilation of interviews with authors of the most frequently banned and challenged books in the USA. They will discuss how censorship of their and other's art and expression affects us all.

On October 8th, Carol Cannon will join us to speak at Wednesday Night Live. She is a former United Methodist pastor, NAACP and Public Schools Strong member, and a passionate opponent of book censorship and banning. We hope to have community-wide attendance. A selection of banned books will be on display in the Narthex through October; they will be available for those would want them.

Guns to Gardens event occurred Aug 16th at Trinity and was hosted by Moms Demand Action. The gathering featured on-site blacksmith cutting metal from previous gun surrender events and shaping them into tools and decorations. Information about safe storage and other gun safety was available. Approximately fifty people attended the event that Saturday.

Social Justice Network – Paul Hugger will be covering for Bob Miles in this area and with the Network. On October 19th, PFLAG "Safe Zone" training will take place in the Fellowship Hall during the Learning Hour. Josh Bledsoe, co-chair of PFLAG and BRCC Professor of Communication will be the speaker.

Circles Around Poverty

- Our poverty eradication team of Matthew 25, continues to work with Circle-USA to lay a foundation for a Circles chapter in Henderson County. We continue to share our vision with other communities of faith, residential communities, civic clubs, and professional organizations. The Circles model is designed to engage the community with the participation of volunteers and donations.

Our Guiding Coalition (steering committee), has friends from First United Methodist, Grace Lutheran, and First Congregational. Dick Bobb, Bob Forsythe, and Paul Hugger are meeting with Pisgah Legal Services to meet the legal requirements for establishing our Circles chapter as a 501c3, non profit corporation. The reason for a stand alone non profit is to accommodate contributions from sources who may be disinclined to contribute to a church or government agency. A Board of Directors is being formed that will mirror components of the Guiding Coalition.

Circles has a social justice component, a 'Big View' team, which addresses issues common to people burdened by poverty. Issues such as

Matthew 25 Ministry, cont.

safe and affordable housing, a living wage, access to health care, child care, family preservation, and transportation. Our Circles Guiding Coalition has made addressing affordable housing issues a priority. Housing First, for example, is a model being considered by the Henderson Social Justice Network, a planning/working group with which our Big View team addresses safe and affordable housing.
